About BNI

BNI is a 41-year-old business and professional organisation that allows like-minded business owners join together to form chapters and help each other to grow their business. Being an organisation that allows only one person from each trade or profession to join a chapter, the diversity of its knowledge base and networking is incomparable. BNI is the world's largest and most successful business referral organisation. It does so by providing a structured and supportive system of giving and receiving business.

BNI operates in 76 countries and has over 355,000 members worldwide, from over 400 different types of professions. BNI helps businesses grow, by helping them build lasting positive & supportive professional relationships and credible long-term business opportunities.

BNI India has over 1471 Chapters with 72,000+ Members and facilitated around INR 52,610 Crores business for its members in India during the last 12 months. BNI members are actively supported by regional, national & Global BNI staff that provide the training structure, and technology needed to help them grow their businesses and achieve their goals.

About BNI Celebrate

'BNI Celebrate' is the flagship event of BNI Cochin and one of the kind events for business owners in Kochi where the best and brightest givers among the respective chapters in Kochi & Idukki are recognized and rewarded. Individuals and chapters that are at the forefront of creating business and growth opportunities within BNI will be honoured among their peers. In 2026, it is going to be an event with participation of over 2000 entrepreneurs from Kerala and from across other BNI regions in the country. This year's Celebrate marks the 13th Anniversary of BNI Cochin. BNI Celebrate sees the gathering of all the members of various chapters in the BNI Regions. Entrepreneurs, CEOs and Key decision makers of reputed organisations in the state will come together to celebrate the success of their fellow members and chapters' successes.

This year BNI Celebrate will witness delegates attending far and wide from chapters across South India. Senior BNI delegates and representatives from various parts of the country will be attending too. BNI Celebrate is at the centre of a paradigm shift in how business networking can accelerate the business ecosystem in Kerala by leaps and bounds. It's a congregation of the rising movers and shakers in South India!
