**GridClub**  
Events Made Efficient

All **registered participants** will be invited to join **GridClub**, a Platform that allows delegates and exhibitors to network efficiently with a web profile, With GRIDClub you can discover people who match your needs, register for events and share greetings and engage your customers. The app makes networking experience efficient and superior in comparison to networking either one to one or at events.

**ZERO CARBON FOOTPRINT**  
**100% Eco Friendly**

No lanyards printed, no paper used or no paper wastage at the event  
As no business cards, brochures and catalogues are passed
